BUILD YOUR BRAND AWARENESS

Platinum Sponsorship: a combination of advertising, sponsorship, and marketing opportunities that help balance your presence and stand out from the competition. Sponsorship confirms your status as a market leader.

Platinum sponsorship is a cost-effective way to get your name out to thousands of industry contacts and partner with COSTHA to host the most valuable meeting in the dangerous goods transportation industry. Platinum sponsors receive the first option for exhibit space at the in-person COSTHA meetings - which have been sold out many times.

“The COSTHA Annual Forum is one of the best resources available to meet with the regulators and receive timely updates as well as the opportunity to meet colleagues from around the globe who are dealing with the same day to day process or issues.”

SHOWCASE YOUR COMPANY

Extend your sales messages beyond the borders of your exhibit booth and reach your industry peers and audience throughout the meeting!

The COSTHA Exhibits are very effective and popular. Exhibits generally “sell out” several months before the meeting. For cost control measures COSTHA limits the amount of exhibit space contracted for each meeting.

Forum attendees reported that they planned to spend at least \$150,000 for products and services seen at the COSTHA Annual Forum & Expo

Platinum Sponsorship is available to COSTHA members only.

“

The format of the COSTHA Forum is brilliant! It is great to meet with so many people in such a short amount of time, and have the opportunity to listen to high quality industry speakers. We kept up with the busy schedule and accomplished so much in just a few days. The networking activities with dangerous goods professionals provided a fantastic opportunity to really get to know people.
