Council on Safe Transportation of Hazardous Articles

The Council on Safe Transportation of Hazardous Articles, Inc. (COSTHA)

is a dynamic, not-for-profit industry association devoted to promoting regulatory compliance and safety in the international and domestic transportation of hazardous materials / dangerous goods.

COSTHA is the leading provider of information, publications, and educational programs designed for regulatory compliance personnel and others employed in the industry. COSTHA brings ongoing advocacy and up-to-date information to hazardous materials / dangerous goods transportation professionals.

Our membership consists of a large cross section from all aspects of the industry including chemical, automobile, pharmaceutical, cosmetics and fragrance manufacturers as well as freight forwarders, shippers and carriers by all modes. The diverse membership is rounded out by consultants, trainers and packaging manufacturers and reconditioners.

COSTHA members set the agenda and determine priorities that serve the common good of companies and professionals in our industry. COSTHA has the reputation and established relationships to connect people and industry segments with regulators and other industry experts.

With COSTHA, you also benefit from a collective voice that is represented at the International Maritime Organization (IMO), ADR, SCT Mexico, Transport Canada, UN Sub-Committee of Experts on the Transport of Dangerous Goods (UN SCOE TDG), Interested Parties Group, US DOT: EPA, FAA, FMCSA, FRA, PHMSA, USPS.

COSTHA constantly monitors changes to the international regulations at the IMO, ICAO and IATA and attends and participates at the UN SCOE TDG meetings, providing members with timely and valued information even before it becomes effective.

“COSTHA helped my company obtain a special permit on an expedited basis. This saved us over \$50,000 in direct costs and protected valuable vaccine samples.”
