

Hazmat Train-the-Trainer

Training of Hazardous Materials employees is *critical* to the success of the Hazmat system as a whole. An effective training program is *crucial* for Hazmat employees to ensure they are using and implement the highest level of *safety* in the industry.

Florida SouthWestern State College has partnered with industry experts, Hazmat Safety Consultants, LLC and the Dangerous Goods Trainers Association to develop a remote Train-the-Trainer course that blends industry knowledge and adult-learning philosophies to prepare the student to become a Hazmat Trainer. In this course the subjects covered are:

Hazmat General Awareness and how the global system works

How to perform a Hazmat Needs Assessment for your company

How adults learn and how to deliver information to maximize understanding

How to put all this information together and deliver a high quality course
