“The COSTHA Annual Forum is one of the best resources available to meet with the regulators and receive timely updates as well as the opportunity to meet colleagues from around the globe who are dealing with the same day to day process or issues.”

SHOWCASE YOUR COMPANY

Maximize your impact beyond your exhibit booth and connect with industry peers and potential clients throughout the meeting.

COSTHA exhibits are a proven platform for reaching decision-makers in the dangerous goods transportation industry — and they're in high demand. Exhibit space often sells out months in advance, as COSTHA limits the number of booths to maintain quality and cost efficiency.

Attendees reported plans to spend at least \$150,000 on products and services showcased at the COSTHA Annual Forum & Expo. Don't miss your chance to be seen.

Platinum Sponsorship is exclusively available to COSTHA members.

“

The format of the COSTHA Forum is brilliant! It is great to meet with so many people in such a short amount of time, and have the opportunity to listen to high quality industry speakers. We kept up with the busy schedule and accomplished so much in just a few days. The networking activities with dangerous goods professionals provided a fantastic opportunity to really get to know people.
